

PROFESSIONAL CARPET & UPHOLSTERY STAINLESS STEEL PRESSURE SPRAYERS 5.0 & 10.0L

GLORIA

Specially Designed for Professionals in the Cleaning Industry

(Germany)

5.0 Litre

Product # 02 000506.00SG

10.0 Litre

Product # 02 000512.00SG

Not suitable for acid nor alkaline/acetone based substances.

Product Description

These sprayers are resistant to most solvent/petroleum based solutions and are designed to provide a perfect spraying angle with a fine pattern and precise output amount.

Integrated with **Dual Pressuring System**, which means the sprayer has the ability to be pressurised via the hand pump or an air compressor for quicker pressuring.
